Please Pray For My Children And Me

To all who know the words of prayer please pray for my children and I we are facing eviction from our apartment. We have since found our dream apartment, however the landlord have to run a credit check and I have very poor credit that I never had the expenses to take care of. I'm just asking for urgent prayers that God will speak to the landlord or whomever elses heart.

I have faith in God that he is a miracle maker, but lately so many evil and bad things been happening to me and I know it ain't nothing but the devil. Please pray for me and my family that we will get our dream apartment. God bless all of you

Niesha: You have my prayers sister. May you see the Lord's hand at work in your life, his provision for you and your children in a home that you thrive in and can manage and feel secure. May the Lord put you on sure footing again and be with you always to help you.
